

Motif Manual Silicone Breast Pump

MANUAL BREAST PUMP SKU: AAA0020

Motif's Manual Breast Pump is made of flexible and 100% food-grade silicone and works to automatically draw and capture breast milk using suction. With simple one-piece construction, the pump is compact and easy-to-use, with no extra parts, wires, or assembly required. The manual breast pump is BPA-free, PVC-free, and easy to clean. With a capacity of up to 4 ounces and weighing less than 3 ounces, the Motif Manual Breast Pump is the perfect travel accessory and portable pump for breastfeeding moms.
